- ✦ copies of all individual tracks recorded delivered in MP3 format via Dropbox (no Dropbox account necessary), mixed with music and sound effects
- ✦ Up to 2 changes to your voice reel free of charge (excluding re-recording)
- ✦ Voice direction during the session by an experienced voice artist & voice reel producer (Kirsty Gillmore)
- ✦ Industry and business advice as part of the session, all questions answered!
- ✦ **Comprehensive list of UK and international voice agencies and UK radio drama, video game, animation & audiobook production companies PLUS How to Do Voice Over guide, including tips for building experience, setting your voice over rates, how to approach agents and production companies, industry insights, how to get into video game voice acting and online voice industry resources**

### **YOU PROVIDE:**

- ✦ Breakdowns of the animation character voices that you would like to record, at least 2 weeks in advance of the recording session. Scripts will be written for you based on these.

- ✦ Any of your own scripts that you would like to bring along, providing these are original and have not been taken from existing animated series or films (including audition sides).
- ✦ written testimonial for Sounds Wilde® that can be used on the Sounds Wilde® website

## THE PROCESS:

- ✦ After initial contact we will schedule a 30 min phone consultation to discuss your requirements, your character voice experience and skills and the animation characters you would like to record.
- ✦ Once a recording session has been booked for a specific date and time, I will send you information and T&Cs for the session and an invoice for the **non-refundable £100 deposit**
- ✦ Once the deposit has been paid, and 1 week before your recording session, I will send you your formal booking confirmation and scripts (as discussed in our consultation)

**PLEASE NOTE:** *The booking is ONLY confirmed once the deposit has been paid. Scripts will not be sent until the deposit has been paid.*

- ✦ Prior to the recording session, you decide on 8 – 10 (maximum 12) animation characters that you wish to record. I can write scripts for you or you can write your own, with my input. It's better to have a smaller number of strong animation characters you can do really well than a larger number of characters that you're not completely confident performing. Aim for at least 8 characters to showcase your range.
- ✦ On the day of the recording session we will record your scripts. It's a relaxed process with opportunities for breaks and cups of tea! Please feel free to bring along lunch and snacks, a fridge and microwave will be available for your use.
- ✦ Following the recording session your tracks will be mixed in my professional, personal studio with music and effects and the finished results sent to you within 4 weeks of the recording session, or as otherwise advised
- ✦ Once you have been sent the finished results, you can request *up to 2 major changes and several minor changes to the mixed recordings at no extra charge*, bearing in mind that tracks cannot be re-recorded without extra studio time being booked
- ✦ Any subsequent changes will be charged at £10 per change requested.
- ✦ Once you are happy with the mixes and tracks, I will send any edited

versions and your final invoice. A voice-only version of your final approved reel can be provided for an additional £20. I would appreciate it if you could provide a written testimonial for Sounds Wilde®
